

North Walsham Young Farmer Club

Thank you so much for inviting North Walsham YFC to the club's meeting on Wednesday, January 13, 2016 and providing dinner for NWYFC members.

As I said in my vote of thanks, we very much appreciate your generosity and your support to our club.

The meeting was a great opportunity for Young Farmers to hear William Kendall speak. His inspiring talk gave us all a lot to think about.

We look forward to continuing our links with Stalham Farmers' Club in the future.

Best wishes from all at North Walsham YFC
