

From the members of North Walsham Young Farmers' Club

Thank you very much for inviting North Walsham YFC to the chairman's farm walk on Tuesday, July 7 at Hall Farm, Wickmere.

The night provided a good insight into the farming practices carried out at Hall Farm.

It was also a great opportunity for members of North Walsham YFC to chat informally with such a large party of Stalham Farmers' Club members and the East Norfolk branch of the National Farmers' Union.

Thank you for the support you have shown North Walsham YFC this year. Having a weekly programme with interesting speakers and activities is a key part of a successful Young Farmers' Club and we thank you for accommodating us twice this year at your own meetings. We wish you all the best for the coming 175th year of the club.

Best wishes from all at North Walsham YFC.

Sarah Ellero

secretary to North Walsham YFC.

John Withers,

chairman

North Walsham YFC.
