

Thanks from Royal Norfolk Agricultural Association

Sir Nicholas Bacon, chairman of council, and the RNAA's trustees, wrote to thank Stalham Farmers' Club for the generous support for the latest Spring Fling.

“Despite having to cancel a few of the outside activities due to the strong winds, a fantastic day was had by all, with over 5,500 visitors having an opportunity to get up close to animals, enjoy the many activities and learn all about food, farming and the countryside.”

“In its 16th year, the highly-regarded Spring Fling is becoming increasingly-popular, this year selling out over a week before the event. We have received lots of positive visitor feedback and great media coverage.

“With this in mind, we would like to thank you for the support you gave towards the event. Without the dedication and hard work of all our sponsors, exhibitors and stewards, the Spring Fling would not be possible and it really enables us to keep this education event so beneficial for children and especially those from less privileged backgrounds.”

The 2016 Spring Fling will take place on Tuesday, April 5.

The club, which has supported the event from the first event in 2000, gave £300 in sponsorship this month.
